### • Options:

There are a full range of options available including second car lifts, plus a full range of accessories, please ask for details.

The capacity of the equipment may not be the same as the capacity of the completed vehicle, due to chassis variations. All equipment supplied with the vehicle are subject to our normal conditions of sale.

All equipment designs may vary from those illustrated in this literature and the company reserves the right to change these details at will.

The logo features the letters 'JJ' in a large, bold, black font with a white outline. The word 'and' is written in a smaller, cursive font between the two 'J's. The logo is set against a background of red and white diagonal stripes.The word 'CONVERSIONS' is written in a large, bold, black font with a white outline. The letters are slightly slanted and appear to be on a surface that is receding into the distance, creating a 3D effect. The background consists of red and white diagonal stripes.
