• Options:

There are a full range of options available please ask for details.

The capacity of the equipment may not be the same as the capacity of the completed vehicle, due to chassis variations. All equipment supplied with the vehicle are subject to our normal conditions of sale.

All equipment designs may vary from those illustrated in this literature and the company reserves the right to change these details at will.

The logo features the letters 'JJ' in a large, bold, black font with a white outline. A smaller 'and' is written in a cursive script between the two 'J's. The logo is set against a background of red and white diagonal stripes.
